

## Secured Loan Documentation

April 30, 2014

Bridgeport Conference Center at Charles Pointe  
Bridgeport WV

This program will cover:

- Proper lien creation, documentation, and monitoring within the Revised UCC Article 9 requirements.
- Required documentation for proper creation of perfected, first-lien security interests of all kinds of collateral except real estate
- Security agreements, notes, and UCC filing requirements for each type of collateral
- The how, when, and why of guarantees and co-signers
- The signature requirements and supporting documentation requirements for all types of borrowers including individuals, corporations, partnerships, LLCs, and assumed names
